

Corporate Events

Welcome to the Challenger Learning Center's Corporate Event information Guideline. We are excited to open our center for your corporate event or meeting and everyone associated with the Challenger, is committed to your complete satisfaction!

Transform your guest in our modern facility that offers ample space for your entire guest list and enjoy your event amongst our interactive planetary exhibits that create the perfect backdrop. Whether entertaining 100's or ten guests, the Challenger Center is yours for the night!

We will work closely with your team to ensure that your event creates memories for years to come! Your guest will appreciate our convenient location in downtown Woodstock with easy parking and the Metra train station located just across the street.

Next, whether your team uses your caterer or ours, they will appreciate the large food prep space and general banquet accommodations. Seating configurations matched to your need and theme decorations placed throughout the center offer your guest the perfect setting!

The center has hosted brand launches with comedians entertaining the audience through creative skits performed on an elevated stage to company holiday parties, with bands and or DJ's providing music for guests' to dance the night away!

Our rates are competitive with other choices and more importantly, your fees are applied directly to our learning programs. Thus, while your company provides an excellent event and your guest's are entertained, your event supports the center!

The Challenger Learning Center
222 Church Street
Woodstock, IL USA 60098
